

2018 Game Rules and Guidelines

I. TITLE

1. The league shall be known as the Greater Catholic Youth League (the "GCYL"). New league entries will not change the title.

II. MEMBERSHIP PROGRAMS

1. Each Member (Program) shall be designated as defined in the Greater Catholic Youth League (GCYL) Regulations and Bylaws Effective March 12, 2010 or as amended in the future. All member programs shall be afforded all rights and obligations as defined in the above fore mentioned regulations and bylaws.
 - ◆ Voting Members shall meet the required obligations as stated by the league no later than January 1 beginning in 2012 or as amended in the future.
 - ◆ Participating Members shall complete all requisite paperwork as required by the league by the date published annually by the league.
 - ◆ Addendum A is a list of schools and their affiliations. Any change to this must be approved by the GCYL Board of Voting Members.
2. The Regulations and Bylaws of the GCYL shall supersede any terms, roles or duties of member programs identified within this document.
3. Each Program may have only one league representative.
4. A Program representative will be recognized upon receipt of a letter of introduction by the school or parish athletic association or equivalent.
5. If two or more parishes or grade schools find it necessary to combine or merge to form a single Program in order to participate, they must submit a formal request to the league office prior to any combination or merger. Such requests must include the approval of the athletic commission of each parish or school. The final decision to permit or deny such request will rest with the GCYL Board of Members. The league reserves the right to contact directly the athletic commission and/or pastor of each parish/school to review and discuss combinations or mergers.
6. Programs are required to field teams for the Varsity, Reserve and Pony levels in order to be eligible in the 3rd, 5th or 7th grade football.
7. Each league entry will be assessed an entry fee to cover league costs. The amount of the fee will be determined by need. Any Program paying league fees after July 31st will be assessed a \$25.00 fine per each month late. All surplus funds will be returned to Programs evenly. If any Program is not

represented at two successive meetings, the secretary will send a letter to the athletic association of the parish informing them that they are not being represented.

8. Any school that would like to explore the possibility of starting a program of their own would be welcomed by the league and given as much support as possible.
9. Mandatory education / training for member coaches to maintain compliance with 501.c3 status
 - a. All league teams must be represented (preferably head coach) at a mandatory education / training session covering health issues, concussions, and ground rules prior to the commencement of each league competition season. The league will have multiple meeting time and locations to accommodate area schools.

III. LEAGUE EXPANSION

1. Interested prospective members have been identified in Article I, Section 1.03 PURPOSE of the GCYL Regulations and Bylaws.
2. Any expansion beyond that designated in the Regulations and Bylaws shall require modification to the Regulations and Bylaws passed in accordance with the voting procedures therein.

IV. QUALIFICATIONS

1. Enrollment:
 1. Each player, in order to be eligible, must be either (1) currently enrolled in the school or (2) must be registered in the parish of one of the schools involved in the Program he represents. In the case of an in-season transfer, the player has the option of playing for either team prior as long as the transfer occurs prior to the 3rd week of the season. Many schools require players to attend CCD to participate on the team, but this is not a league rule. The Board of Voting Members reserves the right to verify Program rosters with the parish and/or schools.
 2. Unattached players may be assigned to play on member programs if it meets with the approval of both parishes/schools and the GCYL Board. The player assignment will be made through the GCYL Board who will assess geographic alignment and competitive balance within the league and the member programs for all prospective players who fall under this scenario. If a family is registered at more than one parish, they are eligible to play with only one Program. Their choice of Program becomes permanent to the extent that multiple parish membership continues and for the duration of the affected individual's involvement in the league athletics. If a family is registered to a parish and attends school associated with a different parish, they are eligible to play with either their parish or school's Program. Their choice of Program

participation becomes permanent to the extent that this situation continues for the duration of the affected individual's involvement in the league. Any deviations from this rule will require Board approval.

3. Any player that played for a parish program but did not attend that parish school or an affiliate parish school and the next year decides to move to a different parish program will lose one year of eligibility and must sit out that year. The only exception to this would be if that player attends the parish school to which he is transferring. The transferring player must sit out that season (calendar year of play). A player must petition the governance committee for exception due to extenuating circumstances.
4. A player playing at the sixth grade level will only be allowed to play a total of three years for their combined sixth, seventh and eighth grade careers, regardless of the league in which they play any of those school years.
5. Any player that is expelled from school is immediately ineligible for the remainder of the season and post-season.

- iii. 6th grade could not turn 13 in the year playing
- iv. 5th grade could not turn 12 in the year playing unless he is playing on a 6th & 5th grade team and would not be able to be on the same team the following year.
- v. 4th grade could not turn 11 in the year playing.

Any player between 171 and 175 pounds shall have a minimum 2-inch "X" in red or black tape, on the back of their helmet. Each team will be allowed to use up to two (2) "X" players on the offensive line to start each play, but they must play the position of either center, guard or tackle, and there must be a "non-X" player between the two "X" players and that player must be on the line of scrimmage. Prior to the start of the game, the head coach and player(s) must present themselves to the officials so they can list the player's number on the game card. Each team will also be allowed one (1) "X" player on the defensive line on each play. The "X" player must line up between the tackles (no further than the outside shoulder of the offensive tackle) and be within one yard of the line of scrimmage. No "X" player may be considered to be an eligible receiver. If more than the allotted quantity of "X" players or rules to the "X" participation are not followed, a 15-yard penalty will be enforced against the offending team. Any player with an "X" who gains control and possession of the ball on offense or defense may not cause the ball to be advanced. At the time of control and possession the ball will be declared down.

The weight restrictions shall be increased two (2) lbs. in each class at the beginning of the play-offs.

1. **ALL players MUST be weighed prior to each game by the opposing team's coach or representative. All players must have their jersey with them. Players will not be allowed to weigh in with no clothing in order to make**

weight. The opposing team's head coach, or representative, will act as the final judge. The home team must furnish a calibrated scale approved by the league. All teams must use a beam type scale (aka detecto). If prior to the start of the game a player makes body weight for his respective division, with or without football equipment, he will be eligible to play. To participate in the game, all players must wear all required football equipment as listed in Article VIII of these rules.

- 2. For early weigh-in needs, there shall be two host sites, designated by the GCYL each week (one on the East side of town and one on the West side). There is to be a GCYL EC member or assigned representative present at each of the sites at a specific time to be designated by the GCYL to administer early weigh-ins for all teams for the weekend. Participant players are required to wear their official numbered game jersey to the weigh in.**
- 3. No team or any of its representatives may waive the weight limit for any player.**
- 4. All players must be presented for weigh-ins.**
- 5. The GCYL recognizes that some players may have the need to have an Early Weigh-In to allow a player close to the weight limit the chance to see if they are eligible to play in their upcoming scheduled contest for general health considerations. All teams hosting games are required to provide time for an early weigh.**
- 6. The early weigh-in time shall take place no later than one (1) hour prior to the start of the Pony football game on Saturdays and Sundays and last for a time period of no longer than 30 minutes from the start of the early weigh-in period;**
- 7. Players reporting for early weigh-in MUST have their uniform jersey with them and can weigh-in with just their shorts on if they choose. No player will be recognized as passing early weigh-in without their official jersey;**
- 8. A coach or coordinator from both programs must be on hand to witness and certify the early weigh-in. Teams are responsible for passing along the information to the appropriate head coaches of the players involved in the early weigh-in and the results. Names of the respective players and the results should be exchanged by both programs;**
- 9. If a player makes weight at the early weigh-in, they DO NOT have to weigh in again with the rest of the players;**
- 10. In the event that a program has a team that is playing on a different field than the other squads, they may contact a representative of the team at the field where the odd team is playing and make arrangements to have a coach**

or coordinator of the visiting program at that field to certify their players early weigh-in results (i.e. If Team A is playing at Team B, but Team A's varsity squad is playing at Team C's field, they can make arrangements with Team C or D to have their varsity players attend the weigh-in at Team C's field and assign a designated representative from that program to observe the weigh-in.)

11. Coordinators or Coaches should work directly with each other prior to game day in order to facilitate the smooth operation of the Early Weigh In process and in the best interests of the players involved so that maximum game participation can be achieved.

2. Participation

- a. A player can only play for one team (Bandit, Pony, Reserve or Varsity) per day. Any roster changes must be submitted to league Board prior to the third game of the season. At the start of third game of the season, all rosters are final through the remainder of the season and playoffs. During the first two weeks of the regular season, overweight players can either practice with their age group team while trying to lose weight or play up. (Coaches should limit contact of overweight players if they are practicing with their age group.)
- b. Prior to the beginning of the 3rd week of games, all rosters must be final and turned into the league Board. At this time, overweight players must choose which team they will be with for the remainder of the season. If a player is overweight for his age group and wishes to move up, the change must be before the roster is final (start of game #3). Players who have started the season playing up due to weight may also move down during this 3 week period. Any changes/additions, etc. to the roster after the 3rd game must be approved by the Board.

i. THE GCYL CONFERENCE IS A COMPETITIVE FOOTBALL CONFERENCE.
THERE IS NO GUARANTEE OF PLAYING TIME.

3. Roster and Contract

- a. Each team will receive a roster of players that were in their program during either of the last two years. All the players on these rosters will only have to fill out a release form to be eligible to play. If a program wants to add any player not on these rosters, the player must go to the GCYL web site and fill out a new player registration form in order for the league to determine whether or not this player is eligible.
- b. All rosters must be submitted on the standard form provided by the league. Any roster sent in any other format will not be accepted. All rosters must be submitted by July 1st. Players may be added to the roster until the third game of the season; however any additions to the roster after July 1st must

be made on the GCYL website. The league must approve all players that are added or registered on the web site.

- a. Any changes in the roster must be submitted in writing to the league Board before any player’s eligibility to play will be considered.
- b. Additions to the roster may only be made prior to the third (3rd) scheduled Saturday of the season.
- c. Any team having a player or players that are ineligible due to age and or school affiliation will face disciplinary action up to and including forfeit of games from the league. The league will hold a meeting to discuss the roster violation to determine the appropriate penalty. In most cases, forfeiture of all games in which the illegal player participated will be imposed. All voting Program members minus the team involved will vote on the appropriate action.

V. PLAYING RULES: FEDERATION RULES PREVAIL

All coaches and players must remain inside the coaching areas, no further than the 25 yard line in each direction. COACHES MUST STAY OFF THE FIELD EXCEPT DURING TIME OUTS OR INJURIES.

- 1. There will be no limit to substitutions.

2. All teams will play four 8-minute stop and go quarters.
3. All divisions will be allowed three (3) time outs per half. Time outs not used in the first half cannot be carried over to the second half. Two coaches from each team may join the team on the field regardless of which team called the time out. Water will be made available to both teams during an injury time out at the time of the injury.
4. The Elimination of Kickoffs on all levels in the GCYL for 2016 and beyond. After a score and try, the football is awarded to the opposing team at the 35 yard line for all levels. In the event of a safety, the football is awarded to the opposing team 25 yards beyond what normally would be the "kicking" team's 20 yard line, which would be the 45 yard line. The opposing team would snap the ball at the +45 yard line (they only have 45 yards to score). *Voted in 3/2016*

*** A two-minute break will be given after all scores before the play begins for the next play.**

5. **OVERTIME**
Regular season overtime shall consist of two periods (if needed). One period constitutes each team possessing the ball for one offensive possession. The ball will be placed at the 10 yard line and the offensive team shall have 4 attempts to score. Each team will be provided 1 attempt from the 3 yard line for extra point conversion. If still tied after the 1st overtime period, a second overtime period shall be played. To start the second overtime (if needed), the team who began on Defense to start the first overtime period, shall now begin on offense. The same end of the playing field shall be used for both overtime periods.
If the score remains tied after two periods, the game will end in a tie.

Playoff overtime shall consist of multiple periods until the score dictates a winner.

Overtime shall begin immediately after the scheduled contest. Officials will allow 1 minute between the regular contest and subsequent periods in playoff overtime. A coin flip will decide possession and direction of play. The winner of the coin toss shall have first choice of possession or direction of play. Direction of play shall not change in an overtime period. Each additional period in play off overtime will continue to alternate possession (same as regular season Overtime).

6. An unlimited number of captains are permitted on the field for the coin toss.
7. **Pony No Punt Rule:**
No punts will be allowed at the pony level. Instead, a 20-yard walk-off will take place anytime a team chooses to punt. This is an untimed down. No punt can be advanced inside the opponent's 20-yard line.
8. **Bandit rules:** Handout will be made at Bandit meeting to be held prior to the commencement of each season.
9. **White Flag:**
The white flag rule will be implemented when a team is trailing by 20 or more points at anytime during the 4th quarter. At this point in the game, the current

score freezes and will become the officially recorded score of the contest and accordingly reported to the GCYL league at the end of the game. The remainder of the game will still be played per usual rules, except additional scoring will not be counted for either team (neither on the field scoreboard, nor on the league website). This is automatic and not at the discretion of the coaches.

It should be everyone’s goal to proceed with the game playing as many kids as possible. The rule of a 30-point running clock will be eliminated in league play. This is a regular season rule only.

4. Any postponed game scheduled and not made up will result in a loss. If the league officers determine that one of the teams from a postponed game is earnestly trying to schedule and play the game and other team is trying to avoid the game, the team trying to avoid the game may be assessed with a forfeit.

If all games at particular site need to be cancelled due to field conditions or other circumstances, league officials must be involved in the process. The league VP and President will help reschedule the game. Once a game has begun the referee can postpone or cancel the game due to unsafe weather conditions.**

XVIII. GAME DAY COMPLIANCE EXPECTATIONS - SCOUTING

Coaches and parents may attend any GCYL game during the preseason, regular season, or post-season/playoffs. But no recording of any kind of information regarding teams other than your own is permitted. This includes film, video, cell phones recording, handwritten or electronic note taking, pictures, or computers. Anything other than personal memory is prohibited. Attendance to observe practices of any GCYL team other than one's own program is absolutely prohibited.
